

REMARKS

In response to the "Notice of Drawing Inconsistency with Specification" document, dated July 5, 2005, applicant has amended the "Brief Description of the Several Views of the Drawing(s)" to conform to the drawings. In that regard, the Office has indicated that Figure 4 is contained in the Drawings but not listed in the Brief Description of the Drawings. Upon review, the undersigned attorney determined that, in fact, the figure description for Figure 3 in the specification should in fact be indicated as Figure 4. Likewise, the figure description in the specification for figure 2 should be identified as Figure 3. In that regard, it is the brief description of Figure 2 which is missing from the specification.

Accordingly, by this amendment, applicant has amended the Brief Description of the Drawings to correct the inconsistencies with the Specification. Should the Office have any questions, it is respectfully requested that the undersigned be contacted at the number listed below.

The Commissioner is hereby authorized to charge any additional fees that are required or credit any overpayment to Deposit Account No. 501-791.

Respectfully submitted,
